

Alternative Spring Break 2017: Tallahassee

Trailblaze: Conserving Coastal Habitats

Trip Information

Where: Tallahassee, Florida aka “T-Pain’s hometown”

When: Sunday, March 5, 2017 –Friday, March 10, 2017 (Oglethorpe Spring Break’17)

Specific departure and return dates TBA

Group dinner to be held Saturday, March 4, 2017

Price: ASB FLA is **\$250**. This includes travel, lodging, meals, supplies and tools. It does not include spending money for souvenirs or extra meals. Payment plans are available by request upon your acceptance to the trip.

Here’s the Scoop:

- **Service:** ASB FLA focuses on environmental stewardship in a unique coastal environment that is home to vital habitats for threatened and endangered species, migratory birds, and resident wildlife. On the trip, we will take part in environmental cleanup, invasive species control, and interaction with the native wildlife.
- **Education:** This year’s trip focuses on biodiversity and conservation. Using knowledge of urban ecology and sustainability measures we will educate ourselves on the importance of conserving natural habitats and reducing further damage.
- **Fellowship:** In Tallahassee, the work we do is collaborative. Bond with friends and classmates; strengthen current ties, build new ones. As much as we will work, we will be rewarded with time together to explore the coastal line and to relax on the beach with the FLA peace of mind.
- **Reflection:** During this trip we will actively engage using the intellectual and emotional ways in which we connect with the cause we serve. We do this by having deliberate discussions and reflections prior to and after completion of our trip. How did you view the work that you did? What are the larger contexts behind why our service is needed? How can we continue to help?

Applications are available in the A_LAB and on alab.oglethorpe.edu.

Applications are due no later than 4 p.m. on Friday, January 20th
